

Walk-behind concrete and asphalt cut-off saw, 500mm blade

SKU: B24-CON-0007

Category: Concrete Cutter

UNIT PRICE

\$645.00

SPECIFICATIONS

Quantity (Sets)	1 - 1
Lead Time (Days)	7

DESCRIPTION

This walk-behind cut-off saw runs on a Honda petrol engine and takes a 500mm blade, giving it the reach to cut road surfaces, concrete slabs, and expansion joints in a single pass. The blade guard and depth adjustment accommodate different cutting depths depending on the job — surface scoring, full slab cuts, or groove work in asphalt. Compatible with standard diamond or abrasive blades, so contractors can swap out tooling to suit the material. Minimum order is one unit with a 7-day lead time. Builders24 sells, distributes, provides customs clearance services and delivers to South Africa, Zambia, Angola, Zimbabwe, Mozambique, Botswana, DRC, Eswatini, Lesotho, Madagascar, Malawi, Mauritius, Namibia, Tanzania, Uganda, Nigeria, and Kenya.
