DESCRIPTION

This 2-ton mini crawler excavator runs a Yanmar engine certified to EPA Euro 5 emissions standards, with a gear pump included as standard. At 2 tonnes operating weight, it fits through tight access points where full-size machines cannot, making it practical for trenching, utility work, and small-scale land clearing on farms or construction sites. Minimum order is 1 unit, with a lead time of 5 days, and each machine comes with a 1-year warranty. Builders24 sells, distributes, provides customs clearance services and delivers to South Africa, Zambia, Angola, Zimbabwe, Mozambique, Botswana, DRC, Eswatini, Lesotho, Madagascar, Malawi, Mauritius, Namibia, Tanzania, Uganda, Nigeria, and Kenya.
