

2-tonne mini crawler excavator

SKU: B24-EXC-0003

Category: Excavators

UNIT PRICE**\$19,500.00****SPECIFICATIONS****Quantity (Sets)** 1 - 5**Lead Time (Days)** 5**DESCRIPTION**

This 2-tonne mini crawler excavator is built for confined worksites where a full-size machine won't fit — utility trenching, landscaping, foundation prep, and light demolition. The tracked undercarriage handles soft and uneven ground without tearing up surfaces, while the hydraulic arm and bucket deliver controlled digging force suited to the machine's weight class. Single units are available with a lead time of 5 days, and orders of up to 5 units can be fulfilled from the same batch. Builders24 sells, distributes, provides customs clearance services and delivers to South Africa, Zambia, Angola, Zimbabwe, Mozambique, Botswana, DRC, Eswatini, Lesotho, Madagascar, Malawi, Mauritius, Namibia, Tanzania, Uganda, Nigeria, and Kenya.

KEY FEATURES

- This 2-tonne mini crawler excavator is built for confined worksites where a full-size machine won't fit — utility trenching, landscaping, foundation prep, and light demolition.
