### DESCRIPTION

This diesel-powered skid steer runs a 25HP engine and a high-flow hydraulic pump, giving it the grunt to handle a 0.35m<sup>3</sup> bucket on tight sites where larger machines can't manoeuvre. The wheeled frame suits hard-packed ground on farms, smallholdings, and light construction yards. It carries CE and EPA certifications, and ships as a single unit with a lead time of 15 days from order confirmation.
