

Square pipe making machine with decoiler, HF precision mill

SKU: B24-PIP-0002

Category: Pipe Making Machinery

UNIT PRICE

\$26,000.00

SPECIFICATIONS

Quantity (Sets)1 - 1

Lead Time (Days)31

DESCRIPTION

This pipe mill takes coiled GI steel strip through a high-frequency welding and forming process to produce square structural tubing to precise tolerances. The integrated decoiler feeds strip stock continuously, reducing manual handling and keeping the line running. Minimum order is one machine set, with a lead time of 31 days from order confirmation. Suited to fabricators producing square hollow sections for construction framing, fencing, and light structural work. Builders24 sells, distributes, provides customs clearance services and delivers to South Africa, Zambia, Angola, Zimbabwe, Mozambique, Botswana, DRC, Eswatini, Lesotho, Madagascar, Malawi, Mauritius, Namibia, Tanzania, Uganda, Nigeria, and Kenya.

KEY FEATURES

- This pipe mill takes coiled GI steel strip through a high-frequency welding and forming process to produce square structural tubing to precise tolerances.
