

Hand push road marking removal machine, diesel engine

SKU: B24-ROA-0006

Category: Road Marking Machines

UNIT PRICE

\$1,969.50

SPECIFICATIONS

Lead Time (Days)	7
Quantity (Units)	1 - 1

DESCRIPTION

This hand-push road marking removal machine runs on a diesel engine, making it suited for site work where mains power is unavailable. It grinds away painted line markings from asphalt and concrete road surfaces without the need for chemicals or heat. Single-unit orders are accepted with a lead time of 7 days, making it accessible for contractors who need one machine rather than a bulk consignment. Builders24 sells, distributes, provides customs clearance services and delivers to South Africa, Zambia, Angola, Zimbabwe, Mozambique, Botswana, DRC, Eswatini, Lesotho, Madagascar, Malawi, Mauritius, Namibia, Tanzania, Uganda, Nigeria, and Kenya.

KEY FEATURES

- This hand-push road marking removal machine runs on a diesel engine, making it suited for site work where mains power is unavailable.
- It grinds away painted line markings from asphalt and concrete road surfaces without the need for chemicals or heat.
