

Self-propelled road marking removal machine

SKU: B24-ROA-0016

Category: Road Marking Removers

UNIT PRICE

\$2,860.00

SPECIFICATIONS

Quantity (Sets)	1 - 100
Lead Time (Days)	15

DESCRIPTION

This self-propelled road marking remover is built for stripping thermoplastic line markings from asphalt and concrete surfaces, making it suited to road repainting, lane reconfiguration, and resurfacing projects. The self-propelled drive reduces operator fatigue on long runs compared to walk-behind units. Units are available from a minimum order of one, with a lead time of 15 days from order confirmation. Builders24 sells, distributes, provides customs clearance services and delivers to South Africa, Zambia, Angola, Zimbabwe, Mozambique, Botswana, DRC, Eswatini, Lesotho, Madagascar, Malawi, Mauritius, Namibia, Tanzania, Uganda, Nigeria, and Kenya.

KEY FEATURES

- This self-propelled road marking remover is built for stripping thermoplastic line markings from asphalt and concrete surfaces, making it suited to road repainting, lane reconfiguration, and resurfacing projects.
- The self-propelled drive reduces operator fatigue on long runs compared to walk-behind units.
