

Double-head 45° aluminium cutting saw, 2-head swing

SKU: B24-WIN-0002

Category: Window and Door Making Machinery

UNIT PRICE

\$13,000.00

SPECIFICATIONS

Quantity (Sets)	1 - 1
Lead Time (Days)	15

DESCRIPTION

This double-head cutting machine makes simultaneous 45° inward swing cuts on aluminium profiles, producing the mitre joints used in window and door frame assembly. Both cutting heads operate in a single pass, reducing handling time and improving cut consistency across production runs. The machine carries CE certification and ships with a minimum order of one unit, with a lead time of approximately 15 days from order confirmation. Builders24 sells, distributes, provides customs clearance services and delivers to South Africa, Zambia, Angola, Zimbabwe, Mozambique, Botswana, DRC, Eswatini, Lesotho, Madagascar, Malawi, Mauritius, Namibia, Tanzania, Uganda, Nigeria, and Kenya.

KEY FEATURES

- This double-head cutting machine makes simultaneous 45° inward swing cuts on aluminium profiles, producing the mitre joints used in window and door frame assembly.
- Both cutting heads operate in a single pass, reducing handling time and improving cut consistency across production runs.
